How do I report my income?							
How do I report my income?							

- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
 - o Gross income is the total income received before taxes.
 - Many people think of income as the amount they "take home" and not the total "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

If you are a self-employed business or farm owner, you will report your net income. b) Report income from public assistance/child support/alimony. Report all income that applies in the "Public Assistance/Child Support/Alimony" field on the chart. If income is received from that work as a net amount. This is calculated by subtracting the total operating expenses of your business or dered payments. Informal but regular payments show reported as "other" income in the next part. 				
E) Report income from pensions/retirement/all other income. Report all income that applies in the "Pensions/Retirement/All Other Income" field on the application.	F) Report total household size. Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number MUST be equal to the number of household members listed in STEP 1 and STEP 3 . If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced-price meals.	G) Provide the last four digits of your Social Security Number. An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. Print the name of the adult signing the application and that person signs in the box "Signature of adult."	C) Mail completed form to EES, P.O. Box 158, Eastford, CT 06242	D) Share children's racial and ethnic identities (optional). On the back of the application, we ask you to share information about your children's race and ethnicity.
