## MIDDLE SCHOOL AFTER SCHOOL ACTIVITIES

As a middle school student remaining after school for an event, I agree to maintain the rules of Eastford Elementary School. I understand it is important to remain at the event for its duration. If for any reason I need to leave the supervised event area, I will seek permission from the staff member in charge. For example, the supervised event area for a basketball game is the bleachers, and the perimeter of the playing field for viewing a soccer game.

If I choose not to follow these rules, my parent/guardian will be notified, and I will not be allowed to maintain the privilege of attending after school events until otherwise notified.
