

**EASTFORD ELEMENTARY SCHOOL**

Milk Order Form

Milk is available at school for \$.30 per container or \$50.00 per year for each container desired. Families are encouraged to pay for a year's worth of milk at the beginning of the year. To allow for absences and field trips, those who do this will pay for only 170 days. If a child buys milk on an occasional basis, he/she should bring the money to be paid at lunch time. Eastford Elementary School participates in a free milk program. Free milk is available to families who qualify. Please fill out the family free milk application to apply.
