

BOE Facilities Subcommittee
December 21, 2021
Minutes

1. The meeting was called to order at 6:10 PM by R. Ellsworth.
Present: R. Ellsworth (Chair), S. Bowen, P. Torcellini (BOS), D. Richards (First Selectman), D. Leake (Superintendent). Also present: J. Trowbridge
2. P. Torcellini shared the current situation of the oil tank, air in the oil lines and the resultant boiler issues.
3. P. Torcellini discussed the proposal made by Service Station Equipment to repair the existing problem with the tank and the lines. The project cost is \$14,626.00. The school prefers that the work be done when school is not in session, as the heat will be off during the time the line is replaced (approximately 4 hours).
4. The Committee asked P. Torcellini to inquire as to the warranty of the work from Service Station Equipment.
5. The meeting was adjourned at 6:40 PM.
