B. Approve submission of the REAP Grant

MOTION: (Cote/Minor) To approve submission of the 2025 REAP Grant. Motion passed unanimously.

C. High School Discussion

Dr. Leake asked that this discussion be added to the agenda due to the rising high school tuition costs, she is not saying anything against The Woodstock Academy or its educational services. Other districts, such as Regional District 19 (E.O. Smith), have shown interest in having Eastford students attend their schools, so Dr. Leake wanted to know if the Board would want to have representatives from other schools come in and present. She understands that this is not a quick decision, it will take time and much investigation. The current contract with The Woodstock Academy ends in June 2027.

Mr. Bilica suggested Putnam, Killingly and Parish Hill, as they are also in the vicinity. Mr. Bowen suggested that this be kept on the agenda so the Board can decide how they wish to proceed in the Fall of 2024.

Good Morning Donna,

I just spoke with the contractor, he confirmed that the system is on & currently producing energy.

He sent me the below screenshot of the monitoring system to confirm that it is producing. The numbers shown are low because it is a cloudy day.

I. Call to Order at 5:03 PM

II. Citizen Participation - Concern from a citizen shared via email.

III. Discuss Trooper White's advice for reunification

- a. Prioritize student/staff safety and getting students back in the care of their parents/guardians as quickly as possible.
- b. If conditions allow students and staff first evacuate to the Town Office Building. Carole has fob and access. Provides for a safe, enclosed structure with heat, running water, and toilets.
- c. Command Center is established in school parking lot with local EMS/Fire/Police.
- d. When safe to do so reunification begins at EIFD. Students will be called and escorted from TOB to EIFD as parents/guardians arrive. Vehicles can "drive through" EIFD parking lot, show ID, and collect children. Road closures and one-way traffic pattern may need to be established to allow for smooth traffic flow into and out of the immediate area.
- e. Deb Richards expressed concerns over the plan. She recommended checking with Doug Beaudoin and getting other opinions, perhaps from local State Police.
- f. Donna Leake expressed concern in the event of an active shooter. In this scenario we would not be evacuating for reunification during the active shooting situation, but perhaps in the aftermath.
- g. Deb Richards will reach out to Mike Caplet –Director of DEMHS for Region 4 for additional advice.

IV. Active Shooter Drill Planning

- a. Deb Richards reached out to Mike Caplet to schedule a drill for school and town employees. This drill will not involve students.
- b. Craig Brezniak Colchester is the point of contact for this drill.
- c. The plan is to hold this drill on Monday afternoon when staff return on August 26, 2024.

V. Discussion regarding traffic flow on Westford Rd. during dismissal

a. On rare occasions when multiple events are planned or there are schedule changes such as an early dismissal, parent-teacher conferences, etc., the car-rider dismissal traffic can back-up onto Westford Road. This is temporary and lasts approximately 10-15 minutes. Possible solutions were discussed. Immediate next steps include:

1. Add signage on Westford Road at the top of the hill at the west side of the school entrance and on the east side closer to the center of town to alert drivers that they are entering a school zone and to drive slowly.

2. Consult with State Police for additional ideas.

VI. Additional Items - none

VIII. Adjournment at 5:32 PM

Superintendent's Report: May 2024

<u>Highlight of the Month</u>: On May 1, I very much enjoyed experiencing the creativity of our families who participated in the family partnership program: "Painting in the style of Seurat". A special thank you to Candice Mead and Stephanie Schleicher for organizing and facilitating this program.

News and Notes Educational Leadership:

- Working with our outside service providers EMCOR, Venture Communications and LaFramboise Water to maintain a safe operating environment for our students.
- Promoting the importance of family involvement in the learning process by initiating/participating in family engagement programs made possible through the after-school grant funds.

Facilities:

- We are connected to solar!! I have been working directly with Michael Chambers, Dean Petrucelli and Deb Richards to complete the final phase of the PV/Roof project. Deb enlisted the help of our Eversource liaison to help facilitate this final agreement with Eversource. Once all the final paperwork is assembled, Rob Ellsworth will facilitate a meeting of the Town Roof Committee to take the steps needed to close the project.
- Thanks to continued Town support, three more of our classrooms and our staff room now have new ceilings. It was determined to change the plan from a dropped ceiling to a dry wall ceiling for the two staff bathrooms. The Town account received credit for this change. Lory Kneeland will be doing this project. Due to the location of the lighting fixtures in the grade K classroom, some new light fixtures needed to be purchased and installed.
- As you may have heard, we experienced rust in our water system this week. Personnel from LaFramboise, with the support of Dale Lundy and Lory Kneeland, assisted us in resolving the issue. Carole McCombe notified families and recommended that children bring in bottled water as we worked to resolve the issue. We conducted our quarterly testing of the water. Mis-timed backflushing of our system appears to be the main cause of the issue. Our system, however, is aging and it is recommended that, in the near future, the BOE Facilities Committee meet with staff from LaFramboise to review the status of the system and receive recommendations for improvement.

Communication and Collaboration:

• Ongoing communication with our bus dispatcher to monitor the use of the additional van for high school students. At this point in time, the van continues to be needed. We plan to meet again to discuss the continued need for this van next year once more information as to the location of our student population for next year is known.

- Continued conversation with other small districts regarding the possibility for shared contracted services, e.g. busing.
- Continued conversation and meetings with the leadership of EastConn and other small districts to discuss additional ways in which EastConn can support small school districts in the areas of contracted services and professional development.

Finance:

- With the support of Deb Richards and Dean Petrucelli (architect), I continue to work with the staff from the Department of Administrative Services to gain as much reimbursement as possible for our combined Roof/ PV project. The recent discussions have focused on the approximately \$22,511.28 of the expenditures that was reclassified as ineligible expenses due to the location of the district offices in the school building and two invoices from S/P in the amount of \$4500 and \$3800 were considered duplicates.
- The audit is complete. As mentioned previously, Deb Richards, Lisa Kellermann, Kymberli Gaylor, and I spent much time with the new auditor regarding the audit of the 2022-2023 budget. Now, much time is being spent making the adjustments. After much discussion and many changes our 2022-2023 budget is still within our original allocation of \$4,212,627. A total of \$50,471.59 of the expenditures made in 2022-2023 is in the process of being moved to the 2023-24 budget. These include payment of yearly, multiyear subscription payments, and payments on account for anticipated expenditures in oil, technology subscriptions, professional development, and attorney fees These changes are reflected in the object report you will receive with this packet.
- Mark your calendars: Budget Hearing: May 28 at 7:00 PM and Town Meeting: June 11 at 7:00 PM.

Comments on selected agenda items

XI. Unfinished Business

A. High School Discussion

At its last meeting, the BOE opted to consider a review of the programs offered by Woodstock Academy and other nearby high schools in the fall. This agenda item provides the BOE with the opportunity to revisit that decision and discuss a plan of action, if desired, for moving forward with this review. It also provides the administration with the information needed for facilitating this review. Included in your packet, for information only, are documents provided by E.O. Smith High School.

XII. New Business

A. Resignation of Paraprofessional

After more than 23 years of dedicated service to Eastford students, Daniel Lussier submitted his resignation.

B. Policies Recommended for Repeal

Following discussion at their April meeting, policy committee members are recommending to the BOE the repeal of policies 6146, 6154 and 6155.

C.-F. Policies 5131.911, 5119, 1100, 4125/4225, 5000, and 5130.

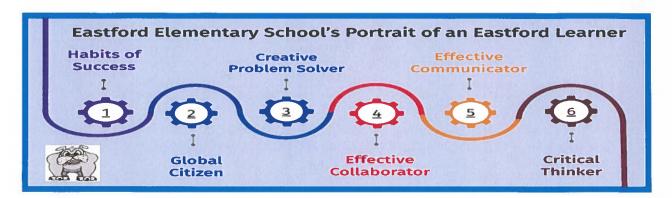

These policies are included for a first reading. After reviewing recommended policy changes provided by Shipman & Goodwin in response to new legislation, members of the

Policy Committee are recommending the BOE, after review, adopt the updated S&G policies including some district specific information where needed. To assist with BOE review, Lauren Barlow will provide additional information as needed.

XIV. Financial Reports

As always, please submit any questions or concerns regarding the financial reports and/or recommended transfers prior to the meeting so the administration can prepare the needed information.

Based on the inclusion of charges from the 2022-2023 budget (see above) and changes in tuitions and staffing needs, we will be recommending the BOE accept some transfer requests, which will be sent via email prior to the meeting.

Hi Donna,

Next year's cost is 4% so it would be 14914.83. That is based on the Northeast Region U-Index. Increases cannot go past 4% but if the index is lower next year, the lower % rate will be applied. The last year of the contract would be between 1 and 4 percent increased based on the index.

XIA

My intent would be for the bus to be at no cost as long as there is room on the bus (Joan tells me there is plenty of room) and as long as it is at the designated pick up spots.

They would have a pick up at Ashford Motel Road for Union or Eastford and at Hillcrest Drive and Floating Road for Eastford.

Thanks,

Sharon

Dr. Donna Leake Eastford Board of Education

12 Westford Road

Eastford, CT 06242

Dear Dr. Leake and Eastford Board of Education,

I am writing to inform you of my resignation effective immediately from Eastford School due to unforeseen health issues. It is with deep regret that I must leave my position. I recently had a heart attack and have started Peritoneal Dialysis while awaiting a kidney transplant. I am no longer able to fulfill my job duties as a Paraprofessional.

I have had 23 wonderful years at Eastford Elementary school. During my time I have had the opportunity to work with some amazing staff and students. I will never forget the incredible friends and colleagues that I have gained over this time, not to mention the number of parents that I have had the pleasure to meet and befriend. I have fond memories that will last a lifetime.

I would like to thank the Eastford Board of Education for giving me the opportunity to work with your children. The part that I am going to miss the most is the students. They gave me life. I looked so forward everyday to see what was next. I am grateful for the opportunity I've had to contribute to the education and success of the students. During my time I have not only had the opportunity to work with some wonderful students, but have also had the opportunity to work with their children too!!!

Thank you again for the support and opportunities given to me during my time at Eastford school. I wish the school, staff and especially the students continued success.

Thank you for your understanding and support at this time.

Sincerely,

Daniel Lussier
